Insurance Claim Reconstruction & Remodeling

CONTRACTOR CAPABILITY STATEMENT

Executive Summary

Yahweh Contractors LLC is a Virginia Class A licensed general contractor based in Richmond, specialising in the reconstruction and remodeling of homes following insured losses. The firm returns damaged properties to their pre-loss condition — or better, where the homeowner elects approved upgrades — with measured scopes, dated photographs, fully itemised estimates in Xactimate format, and a single, accountable point of contact from first inspection to final walkthrough.

Differentiators

- Itemised estimates in Xactimate format — the standard your adjusters already use
- On-site inspection within 24–48 hours of referral, with dated photographic documentation
- Owner-supervised projects: one accountable contact for agent, adjuster and homeowner
- Project plans and permits prepared in-house — no third-party delays
- Documented supplements for concealed damage, submitted before repair
- English- and Spanish-speaking homeowners served with equal care

Core Capabilities

- **Fire & Smoke Reconstruction**
Kitchen and whole-home reconstruction following fire and cooking losses
- **Water Damage Rebuild**
Drywall, insulation, flooring, cabinetry and finishes following mitigation
- **Wind & Storm Repairs**
Structural and interior repairs following storm and falling-object damage
- **Kitchens & Bathrooms**
Cabinetry, countertops, tile, fixtures and finishes rebuilt to the approved scope
- **General Remodeling & Construction**
Framing, drywall, flooring, painting, finish carpentry, additions and new construction

How We Work a Claim
